My report in front of the class in Japanese is done! This is how I felt about my presentation in front of the class:

\_\_\_\_\_ I am proud of the job I did

\_\_\_\_\_ I felt well prepared

\_\_\_\_\_ I did better than I thought I would

\_\_\_\_\_ I worked really hard and practiced on my own

\_\_\_\_\_ I wasn't nervous at all

\_\_\_\_\_ I was nervous standing in front of my friends but I did OK

\_\_\_\_\_ I am glad that I got to do this project

\_\_\_\_\_ Next time, I want to do this better:
