

Suggested Directions for Hand Graphic Organizer:

democracy it is!

After viewing and discussing video . . .

1. Choose a vocabulary word (teacher or students choice) to write in the middle of the hand.
2. Think of an example from the video that demonstrates that word. Put a picture or key word(s) to represent it in the thumb.
3. Think of connections or examples from your home, school, community, and the world. Put a picture or key word(s) to represent it in the fingers.
4. Think/Pair/Share: Tell a partner about your ideas.
5. Choose one to write about with more detail.
