

# You are So-o-o Money Game Instructions

**Object:** To be the player with the most cards at the end of the game.

**Game play:** (Similar to the card game Slap Jack.)

1. Sit so that you are facing each other.
2. Decide who will shuffle then deal the entire deck of cards equally among you.
3. Stack your cards, and place them face down in front of you.
4. The player who did not deal starts. Alternate turns taking the top card from your stack and quickly placing it face up between you.
5. Rapidly examine the image to determine whether it shows the use of barter or money.
6. If the image shows a form of money, race to be the first to slap the desk or the floor (not the other player). If the picture shows a form of bartering, do not slap.
7. The first player to slap correctly wins that card and sets it aside.
  - If one player slaps incorrectly (when the card shows a picture of bartering), the other player wins that card and sets it aside.
  - If neither player slaps (when the card shows a picture of bartering), the card remains between the two of you. The player whose turn is next places a new card in the center pile. Repeat steps 5 through 7 with the new card.
8. Play continues until one player holds all the cards or until time is called. In the latter case, the player with the most cards wins.
