

**BIZ KID\$**

**Episode 209: "The Green Economy and You"**

**Day One  
Introduction**

Welcome students/youth to "Biz Kid\$" and introduce yourself, giving your name and job title.

Explain that "Biz Kid\$" is a program to help people become financially educated, learn work-readiness skills, and to even become entrepreneurs...Biz Kids!!! They can view the program "Biz Kid\$" with their families on Public Television stations all over the country, and also participate by using the "Biz Kids" web site. Today, they get to see an episode with you.

**Today's pre-viewing questions:**

When you "go green" does that mean you have the flu?

What size is your "carbon footprint?"

Have you ever recycled cans and bottles to earn money?

Have you heard talk about fuel-efficient cars, solar and wind energy, and eco-friendly policies?

Today's episode of "Biz Kid\$" will give you answers and information about ways to use our resources more wisely, and to become more aware of things we can do as individuals to help.

**Activity to follow viewing the program together:**

Encourage students to stand and stretch a minute, and then ask them to please be seated.

After seeing this program, what are some things you can do starting today to contribute to the solutions needed to protect our resources?

(List student responses on a blank OHP Transparency.)

Ask students which of the young entrepreneurs featured in this episode made the greatest impression on them and why.

Encourage students to look for articles related to the "Green Economy" and to share their knowledge and awareness with others, especially their families.

Thank students for their attention and participation in today's session!
