

Instructions for uploading/sending your project to be posted on the War Letters Website;

1. Go to: <http://dropbox.yousendit.com/ECB>
2. In the ***Your Email** box, please enter your Email address or the Email address of your teacher.
3. In the **Enter Message** box please include the following:
 - Your name
 - Your school
 - Your teachers name
 - The title of your project

4. This next step may look different depending on if your using a Macintosh or Windows computer.
For Mac Users using the Safari browser: Next to the *Select a file section, please click on the **Choose File** button, and browse for your project. Once you have located it, either double click the file or just select it and click the **choose** button. After you picked your file you'll see that the file name will appear next to the **Choose File** button.

Mac users using Firefox: Please follow the PC instructions, as they are the same for Firefox on a Mac.

For PC Users: Click on **Browse** in the *Select a file section. Choose your file and either double click on it or click **open**. You should see the file path added to the file box next to the browse button.

5. Click on:

to upload your project. As your file is sending please DO NOT close your browser window until you see the browser window with the message: Your file(s) has been sent to ECB. Depending on your file size it may take awhile to upload and send your file(s)

If you fail to follow these instructions your project may not be eligible for posting on the War Letters Web Site. If you have any questions please email us at: ECBWarLetters@wi.gov.
